BETHEL COLLEGE, NORTH NEWTON, KANSAS

PRESENTS THE

GRAYMAROON

58

BETHEL COLLEGE CHURCH

The 1957-58 school year has passed. But it is about to begin again on the pages of this yearbook. As you follow the varied calendar of events beginning with the first hectic days of the fall quarter and continuing through the merging maze of people and activities as the year progresses through winter and spring quarters, you will note first one group and then another come into prominence. May your journey along our time line be a pleasantly nostalgic one.

THE FOOTBALL TEAM

The 1957 football team, under the leadership of coach George Buhr and co-captains Larry Penner and Clayton Kaufman, established an impressive record for the season. Starting the season slowly, they gained momentum and strength, climaxing the season by breaking the two year conference winning streak of Kansas Wesleyan. Bethel also gained the distinction of placing three men on the All-Conference: Clayton Kaufman, quarterback; Larry Penner, end; Virgil Penner, guard. Named to the second team were Myron Goering, tackle and Arlo Buller, guard. Receiving honorable mention were Loren Kuehny, tackle; Randy Schmidt, fullback; Kenny Stucky, halfback.

MEM HALL SERIES

During the fall quarter Bethel College was invaded by the epidemic that was sweeping the country. For several weeks the Health Center was filled to overflowing and many were confined in the dormitories. Luckily, the "epidemic" passed with no more serious consequences than a few days of class work to make up and a very tired "hangover" feeling for most students.

Bi-weekly the **Bethel Collegian** opens a new window overlooking the campus. Through each window students can survey the various departments and activities of their campus, and school supporters can look into the functions of the college. The editors have tried to interpret the threefold purpose of the paper—to inform, to express student opinions, and entertain. This year the paper received a one rating from the National Rating Association.

Virgil Penner, Robert Rupp, Helen Schroeder, Art.

This year, many students and faculty members were seen over the medium of television. In this relatively new method of public relations, Bethel participated in a series of TV programs entitled **This is Bethel College**. In this series, the various departments of the school were viewed. On the opposite page are shown some of the students who participated in this program.

DRAMA SOCIETY

An experiment in theatre-in-the-round (central staging) was the Drama Society's contribution to culture this year at Bethel. The group presented two one-act plays in January: **When Shakespeare's Ladies Meet**, and **The Valiant**.

JAN.-FEB. ORAL COMPREHENSIVES

A challenge for every senior . . .

Before

Every school year, during the winter quarter, the senior begins to fearfully scan the bulletin board to find out when his "Comp" is. At the appointed hour, he tremulously enters the conference room of the faculty lounge. One hour later, he emerges—pale, visibly shaken, but still breathing. What happened? He just finished his Oral Comprehensive Examination. In this exam, a board of four faculty members tries to determine the senior's maturity and what he has gained from Bethel College. They question the senior on the assigned book he was supposed to have read and also ask other questions concerning his habits, beliefs, and philosophy of life. Pictured above is a sample oral comprehensive board with Karin Muehlen as the student.

INTERNATIONAL RELATIONS CLUB

The IRC doesn't always deal with such sticky problems as at this taffy pull (see the group captured in one of their lighter moments, left). In their various programs they have dealt with some of the significant problems facing young citizens of today's world. Countries represented in the club are Far-mosa, Germany, Holland, Jamaica, Puerto Rico, Uruguay, Mexico, Canada, and the United States.

The Christian Service and Outreach Commission of the SCF carries on such projects as the Hoover Orchard mission work in Wichita, weekly singing groups at Bethel Hospital, recreational work and devotional programs at Proirie View Hospital, visitation and worship services in old people's homes, and deputational work in churches.

The Annual Mennonite Folk Festival is sponsored by Bethel College. Its purpose is to promote interest in the various aspects of Mennonite culture. It is another phase of the services which Bethel College performs through the Historical Library, Kauffman Museum, and other channels. This year, the festival included a one-act play in Low German, *De Opnoam* by Arnald Dyck, and a skit, *Aude*, also by Dyck. German folk songs were sung by the Charale.

The Bethel College choir, a group of picked singers under the direction of Dr. Walter H. Hohmann, has provided both the college and general public with some of the best in sacred music during the school year. The major work presented was **The Seven Last Words**, a cantata by Dubais. Besides serving at the Bethel College Church once a month, the choir's busy schedule included a series of evening programs in Mennonite Communities near Newton and a weekly radio program, "Chapel Meditations." In the summer, the choir is touring Europe.

The Letter Club is composed of students who have lettered in intercollegiate sports and who have been formally initiated and accepted as club members. Some of the activities and projects of the club this year included work on homecoming activities, initiation of new members and selling basketball season tickets and brochures. The principle activity is the Buffalo Barbecue. The principle backers of the club and athletic department are the alumni members.

FORENSICS

Pi Kappa Delta

This is a national honorary forensics society. Its purpose is to stimulate progress in and to further the interests of intercollegiate speech activities and communication in an effort to provide functional leadership training for life; and at the same time encourage a spirit of fellowship, brotherly co-operation and incentive for achievement.

Hilda Regier, President; Melvin Schmidt, Janice Waltner, Winona Waltner, Dr. Harley Stucky, Faculty Adviser; Jim Juhnke.

Debate Squad

The debate squad had a very active year, travelling to various places in Kansas and Nebraska to forensics tournaments. With only one returning member from last year's squad, the team compiled a very good record, climaxing the season at the regional Pi Kappa Delta tournament on April 11 and 12. At this tournament, the debaters tied for first in the debate division, and came within three points of winning the entire sweepstakes.

With many students living in one large group on the campus, various types of school problems arise. The Student Council has the complex job of coping with these problems while integrating the students to work for a united school spirit. The council is directly responsible for school projects, school activities, and student body elections. It also acts in an advisory capacity for student organizations. The student council's overall purposes are to promote democratic Christian living, secure co-operation of students with the faculty, and foster a dynamic school spirit. The representatives of the council must know the students and must be ready to face student problems. Student representatives are elected from each class every year. The faculty representatives act in an advisory capacity for the benefit of the Council.

. . . and

STUDENT COURT

The Student Court, in its third year of operation, again handled student disciplinary cases. This year, the court made a thorough study of its constitution, and proposed several amendments which were passed by the student body. In these amendments, the court tried to distribute the power of handling disciplinary cases to the men's and women's dorm councils. In this arrangement, the court would handle the cases lying out of the jurisdiction of the respective dorm councils.

BETA KAPPA

Beta Kappa is the girls' pep and service organization of Bethel. The function and purpose of the club is to promote loyalty and enthusiasm in the student body, and to perform services such as ushering at Memorial Hall programs. The money earned by this club is given back to the college in the form of a project. This year, they furnished the sewing room in the new girls' dormitory. The membership consists of twenty girls elected by the student body.

The Track Team was a bright light in the picture of Spring Sports this year. The team, many of them freshmen, showed unusual power in taking second place in the Kansas Conference Track Meet. Two new records were set this year, both by freshmen. Melvin Goering set a new high jump mark at 6 feet, 2 3/8 inches, while Joe Schrag ran the mile in 4 minutes, 36.4 seconds. Bruce Mueller again equalled the old High Hurdles record at 15.5 seconds.

The Women's Association of Bethel College was one of the instrumental factors in the fund raising drive for the new girl's dormitory. With the new dormitory scheduled to open in the fall for the new school year, the Association can well be proud of the job they have done. It is for this service that we dedicate this Graymaroon to them.
